| Glass bottles and jars                                     | Examples include:  • Mayonnaise jars  • Wine bottles  • Beer bottles  • Applesauce jars  • Spaghetti sauce jars  • Salsa jars  • Vinegar bottles  • Baby food jars   | Glass bottles and jars not acceptable include:  • Broken glass  • Cups, dishes, glass windows, plates, Pyrex®, ceramics, mirrors, light bulbs, crystal  |
| Plastic bottles, jugs<br>and containers                    | This includes all rigid plastic containers with symbols on the bottom; examples include:   | Plastics not acceptable include:  • Plastic shopping bags  • Plastic food wrap, potato chip and sandwich bags  • Styrofoam®   |
|  | <ul> <li>Soda and juice bottles</li> <li>Salad dressing bottles</li> <li>Milk jugs</li> <li>Detergent bottles</li> <li>Juice bottles</li> <li>Shampoo bottles</li> <li>Window cleaner</li> <li>Saline solution bottles</li> <li>Fabric softener or bleach bottles</li> </ul> | Automotive fluid bottles (oil, antifreeze, brake fluid)   |
| Milk cartons,<br>drink boxes                               | Examples include:  • Milk and juice cartons  • Juice boxes  • Flavored milk boxes  • Cream and creamer containers  | Items not acceptable include:  • Ice cream boxes  • TV dinner containers  • Cream cheese boxes  |
| Container preparation                                      |  |   |

- Remove all plastic bags.
- Remove any non-acceptable items.
- Corrugated cardboard should be broken down so it fits inside the container without jamming, so the cart will empty completely.
- All containers (jars, bottles, cartons, etc.) must be rinsed and free of all contaminants.
- Remove and discard all corks, tops, rings, metal bottleneck wraps, and unacceptable items.
- · Flatten containers whenever possible.

Last year, Chelsea residents recycled more than 1,704,600 pounds of material. That's more than twice the amount we recycled just 3 years ago, but at 8% of trash recycled, we still recycled well below the statewide average. If you're recycling, thanks; you've helped to save energy and curb climate change. You've also helped save the City money, which allows the City to fix more streets, build more parks and hire more police officers. If you only recycled a little, or if you haven't recycled at all, please do more to make our community and our planet a healthier one!

### Recycling Made Easier

With the Single Stream Recycling Program, sorting is not necessary as all of your recyclables can be placed in one container at the curb! Residents are encouraged to use their blue bins or 32 gallon barrels clearly marked for recycling. Recycling stickers are available at DPW Offices - City Hall, room 310. This pamphlet includes details to help you properly prepare your recyclables and recycle everything possible.

## Curbside Recycling Collection Schedule

Recycling is collected every week on your regular trash day.

#### **Holiday Schedule**

When a scheduled collection day falls on a holiday, that day's collection and all remaining collections for the week will be delayed by one day. Friday's collection will be on Saturday.

# Yard Wast and Fluorescent Bulb Drop-Off

DPW City Yard, 380 Beacham St., Chelsea, MA Monday thru Friday 8AM-2PM

#### **Hazardous Waste Event**

Check website www.chelseama.gov Click on Public Works

#### **Compost Bins**

Brave New Composter Call 617-466-4200

**Trash** - All trash must be placed in a trash barrel (not overflowing barrel) OR in an approved, orange trash bag with the City of Chelsea seal. Trash not in a barrel or orange City of Chelsea bag will result in a citation.

#### Appliances, TV's, and computer monitors

Purchase sticker at City Hall Treasurer's Office (room 213)

Tires - Remove rims and put out with your trash (limit of 2 tires per week)

Oil base paint - Drop off at DPW (City Yard, 380 Beaham St.) on 1st

Saturday of the month. April - October 8AM to 12PM

Latex paint - Once dried, it can be discarded with your trash. Only put completely dried Latex paint cans with their lids removed (no oil based paint) with your trash.

Yard waste - Picked up curbside 11 weeks per year. Place in clearly marked barrel or paper leaf bags. No plastic bags, branches or stumps. Check website for dates www.chelseama.gov Click on Public Works

### Frequently Asked Questions

Can plastic bags be recycled in the curbside program? No, not as part of the City's program. However, many retail stores have collection programs for plastic bags.

How do I safely dispose of Mercury bearing items like thermometers & thermostats?

Contact the Board of Health at 617-466-4090

How can I safely get rid of sharps & other medical waste?
